### AWARENESS TREE

In November, our tree will be decorated in fall colors to represent a tree of thanksgiving. We are thankful for our Military Families and Veterans. Stop by ACS during the month of November and pick up your Military Family Kit from under the ACS Awareness Tree.

If you didn't hear about our tree last month, we are keeping it up year around to spotlight a topic of importance to the Fort McCoy Community. November is Month of the Military Family and the month most noted for honoring our Veterans. We look forward to having our Families and Veterans stop into ACS to pick up their kits and visit with staff to reacquaint themselves with the benefits ACS has to offer.

### CARDS FOR VETERANS/MILITARY FAMILIES

Show your gratitude and let ACS help you send a card to a veteran or military Family in November. We have the homemade card; you have the stamp and the address. Let's show those that have served us well our thankfulness by sending some their way.

Stop by ACS, 2111 South 8th Avenue, during business hours, Mon - Fri from 7:30 am - 4:00 pm to pick up a homemade card or make one. We have cards already made thanks to our Volunteer Program called The Connection Club that you can select and mail to a veteran

or Family you know. If you prefer, you can take a few minutes and make a make a card with the supplies provided. Envelopes provided.

### COMMON MILITARY TRAININGS

Common Military Trainings are mandatory for all Service Members and are available for those who are coming up on the following milestones in their careers: PCS Moves, Promotions, Marriage, Childbirth, Pre-Deployment & Post-Deployment. Trainings are also provided for life events such as divorce and disabling conditions. Trainings are held on the second Thursday of each month at 9 am via Microsoft Teams or in person in Building 2111. Contact ACS at x3540 to set up individual, Family or unit trainings.

### NOVEMBER IS MILITARY FAMILY MONTH

It is a time to acknowledge the tremendous sacrifices our military Families make. They contend with separation from their Families and make adjustments to new living situations and communities. Military Families embody strength, resilience, and courage. Care of military Families and children sustains our fighting force, and strengthens the health, security, and safety of our nation's Families and communities.

[CLICK HERE](#) to check out what's in store for you on the National Veterans and Military Families Month webpage including a free cookbook giveaway (coming soon)!
