DIRECTOR'S NOTE

Spring is finally among us at Fort McCoy and things will be ramping up. We'll soon see more activity around post, including MWR events. This quarter will include some of our biggest events, to include the Army Birthday, the Down and Dirty Trail Run and Month of the Military Child.

Pine View Campground will be coming back to life in May, with the peak season kicking off on Memorial Day Weekend. The campground is available to all at Fort McCoy, whether you're staying there or not. There are various activities available to the community including water sports (paddleboarding, kayaking, etc), hiking trails, disc golf, mini golf, and the inflatable park. We have a full range of campers for rent; from small units you can pull behind an SUV to those that can accommodate larger groups. It's a great way to hook up and explore the fantastic spots in the area without the need to go buy your own camper.

It's the most exciting time of the year as we thaw out and get ready for summer. MWR is here to help you make the most of it!
- Scott Abell, Fort McCoy DFMWR Director
