DID YOU KNOW?

The Army Family Action Plan (AFAP) is a grass-roots process beginning at the installation level that seeks input from the Total Army Family regarding significant quality of life issues that affect the well-being of Soldiers, Civilians, Retirees, and their respective Families. The AFAP alerts Leadership on areas of concern that need attention and gives them the opportunity to put plans into place to work toward resolution. Hundreds of legislative, regulatory, and policy changes have occurred over the past 30+ years due to the AFAP.

[Click here](#) for more information. The FY23 AFAP conference is scheduled for 3-4 Nov 22 to discuss submitted issues.

Sponsorship Training: As a sponsor, it's your responsibility to provide information to new service members at your station.
