Fort McCoy Playgroup

For Families with Children 0-4 Years Old

Our playgroup contains toys, books, and other materials to help strengthen each child's cognitive, physical, and creative skills, and to help promote social-emotional skill building. Through play, transitions, circle time and songs and activities, and informal conversations, parents learn about developmental ages and stages, gain tools to help understand their child's behavior and become empowered to prepare the family and child to enter school "ready to learn".

Fall is Here!
It's time for us to gather for a new round of fall-themed activities! Engaging with nature's seasonal offerings stimulates curiosity and a sense of wonder while fostering self-confidence and empathy for nature and others.
