DID YOU KNOW...

Army Family Team Building (AFTB)

AFTB is the Army's primary readiness training program to support the Army Family, Soldier and Civilian in developing the skills necessary to become self-reliant, strong, and resilient in an era of persistent conflict thus providing the Soldier and Commander the assurance to focus on his/her combat readiness and mission accomplishment. Active, Guard, Re-

serves, DA Civilians, Retirees, and their Family members are eligible to participate. Family members are the primary audience. For more information or to schedule a class call x6712.

Army Family Action Plan (AFAP)

You have a voice in our community! AFAP addresses issues that have an Army wide impact and therefore cannot be resolved by the Interactive Customer Evaluation (ICE) system. If you feel your issue is beyond the scope of ICE and is NOT a chain of command issue, then please submit it for consideration by AFAP. [Click here](#) for more information or call x6712 on how to submit an issue.

MOB/DEPLOYMENT

The Mobilization, Deployment & SSO program (MD&SSO) was established within ACS to assist with community readiness in instances of deployment and emergency situations. This includes training: Family Readiness Group Leaders (FRGLs), Care Teams, Family Readiness Liaisons (FRLs), Family Readiness Support Assistants (FRSAs), Deployment Cycle Support, and Unit Rear Detachment Commanders. The program is also responsible for operating an Emergency Family Assistance Center in the case of an all hazards event, and supporting Service Members and Families during Non-Combatant Evacuation Operations (NEO) and Repatriation as well as acting as a case manager for all requests for assistance through the Army Disaster Personnel Accountability and Assessment System (ADPAAS).

For more information or to coordinate trainings call x6712 or [click here](#) to send an e-mail.
