MILITARY AND FEDERALLY CONNECTED PARENTS!

Impact Aid Survey

REMINDER

Do you know why Impact Aid funding is important for your child's school?

This funding is provided to school districts to offset the loss of property tax on federal property.

Who should turn in Impact Aid Surveys to the school?

Parents and guardians of Children of Military and Department of Defense (DA) Civilians need to turn in the surveys to their school.

Why is my survey important?

The amount of funds the school district receives is based on the number of Impact Aid Surveys returned.

Military and Federally connected parents, you can help make a difference at your school!
