

**FORT MCCOY IS LOCATED IN WESTERN WISCONSIN OFF HWY 21, BETWEEN SPARTA AND TOMAH.**

The hiking trails at Pine View Campground provides impressive views of nature and the environment. On Fort McCoy's 60,000 acres, there are 200 bird species, 52 mammal species, 31 reptile and amphibian species (*non-poisonous*) documented. So keep your eyes open for whitetail deer, turkeys and maybe even a bull snake!

The trails offer a challenging and rewarding experience to trail users of various abilities. Please help keep our trails clean and dispose of all litter in a proper receptacle.

*Thank you for hiking at Pine View Campground.*
