DIRECTOR'S NOTE

It's already FY27! I hope everyone had a great summer and are preparing for colder weather. For those who will be experiencing their first Wisconsin Fall/Winter, it's not as bad as you've been told!

WE HAVE PLENTY TO DO AS IT GETS COOLER OUTSIDE!

Our Trunk or Treat is a great family event, and we hope everyone will come out and participate! Whitetail Ridge Ski Area will be preparing to open in late December, and our instructors will be standing by to get you on skis or a snowboard! The Christmas Tree Lighting will signal the beginning of the holiday season and once again will be a great event for all.

FY27 will also include some operational adjustments in some of our facilities, to include changes in operational hours. We'll be sure to circulate that information in advance as widely as possible. If you haven't downloaded the My Army Post App, do it now as it's the best way to keep in sync with MWR and the other service providers on Fort McCoy.

The new FY looks to be another great year for Fort McCoy and the MWR team is committed to continue delivering outstanding programs and support to the community. Please provide feedback via the QR code provided. We can only improve with your input!
