Each year, youth who embody excellence in the areas of academics, character and citizenship, and healthy lifestyles are recognized at the local, state, regional and, finally, at the national level.

Being named Youth of the Year is the highest honor bestowed upon Club members. The National Youth of the Year serves as a role model and spokesperson for America's youth for one year. They have the opportunity, and the platform to educate millions of Americans about the power of the Club experience and elevate the national focus on key issues facing children and teens.

See reverse side for Youth of the Year descriptions and scholarship amounts.
