

# ARMY FAMILY ACTION PLAN

Change begins with you

**Army Family Action Plan (AFAP)** is a process that invites members of the Army Family to be agents of change. Establish and improve programs and services, develop and change policies and regulations, create legislation and amend laws.

*Since 1983, over 700 issues have been raised at the Department of the Army level — and those have resulted in over 500 improvements for Soldiers, Families, and Army communities.*
